COOKIE INFORMATION

This website uses cookies to improve your experience as you navigate through the site.

Privacy settings

Decide which cookies you want to allow.

You can change these settings at any time. However, this may result in some functions no longer being available. For information on how to delete cookies, please refer to your browser's help function.

About this cookie

This Cookie Policy explains what cookies are and how we use them, the types of cookies we use, i.e., the information we collect through cookies and how that information is used, and how to control cookie preferences.

You can change or withdraw your consent to the Cookie Statement on our website at any time. Your consent applies to the following domain: enorsecurities.com

What are cookies?

Cookies are small text files used to store small pieces of information. They are stored on your device when the website is loaded in your browser. These cookies help us make the website function properly, make it more secure, provide a better user experience, and understand how the website works and analyze what works and where it needs improvement.

How do we use cookies?

As most online services, our website uses first-party and third-party cookies for a variety of purposes. First-party cookies are mainly necessary for the website to function correctly and do not collect any of your personally identifiable data.

The third-party cookies used on our website are mainly for understanding how the website works, how you interact with our website, keeping our services secure, providing advertisements that are relevant to you, and in summary, providing you with a better user experience and helping to speed up your future interactions with our website.

What kind of cookies do we use?

Essential: Some cookies are essential for you to experience all the features of our site. They

allow us to maintain user sessions and prevent any security threats. They do not collect or store any personal information.

Statistics: Statistic cookies help website owners understand how visitors interact with websites by collecting and reporting information anonymously.

Marketing: Our website displays advertisements. These cookies are used to personalize the ads that we show to make them meaningful to you. These cookies also help us track the efficiency of these advertising campaigns.

The information stored in these cookies may also be used by third-party ad providers to build a profile of your interests and show you relevant ads on other sites. Without the use of these cookies, we cannot be more accurate in offering products and services contained on our site.

Functional: These are cookies that help certain non-essential functionalities on our website. These functionalities include embedding content like videos or sharing website content on social media platforms.

Preferences: These cookies help us store your browsing preferences and settings, such as language preferences, so that you have a better and more efficient experience on future visits to the site.

How can I control cookie preferences?

You can use your internet browser to automatically or manually delete cookies. You can also specify that certain cookies may not be placed. Another option is to change your internet browser settings to receive a message each time a cookie is placed. For more information on these options, please refer to the instructions in the Help section of your browser.

Please note that our website may not function properly if all cookies are disabled. If you delete cookies from your browser, they will be replaced after your consent when you visit our websites again.
